Giving a gift in memory is a way of commemorating the life of a friend or loved one while also making a difference to the lives of others. Your donation will go towards providing vital services for people living with dementia in North Yorkshire.

We want to make giving a gift to Dementia Forward as simple as possible at what we know is a very difficult time, so we have suggested some ways to donate below. If you would prefer to talk to us about the best option for you, please call 01765 601224.

You can donate via our website www.dementiaforward.org.uk. Simply click on the green donate button and you can make a one-off or regular donation, or set up a fundraising page in memory.

We can send you donation envelopes that can be given to friends and relatives or provided at a funeral or special occasion, such as a birthday or anniversary. Please contact us to arrange delivery.

Many people ask for donations in lieu of flowers. Please let your funeral director know if you would like to support us in this way and they will ensure donations are sent directly to Dementia Forward.

You can also complete the form on the opposite page and send it with your donation by cheque or bank transfer.
